

Denis Handmade page

 Attach  Add a child issue  Link issue  

Description

As a user of website annacori.com, I want this page to be easily accessible and the ability to view the products of Denis Handmade's page.

The category Denis Handmade can be quickly accessed from anywhere within the website and the user will be redirected to a new page.

The title of the page is positioned at the center of the page surrounded by two images.

The products will be displayed in a grid with additional images added to the page.

Acceptance Criteria:

- The user can scroll through the page containing a list of purchasable items
- The user can filter the products by: product type, gender, color, material, size
- The items should be presented with a picture
- A price tag should accompany the items
- Click the product to see more details about it
