5. Issues

- **AC-11 Responsive Design** - The menu items are collapsed in a hamburger icon. The hamburger icon can be seen at the top left corner, but if the user clicks on it, the menu items are not shown.
- **AC-13 Instagram link functionality** - The Instagram link <https://www.instagram.com/annacori.official>, located in footer section of the website, doesn't open from browser Google Chrome (Version 108.0.5359.125) and from browser Microsoft Edge (Version 109.0.1518.52).
